1. **Purpose:**

1.1 All children have a right to feel safe and to be safe. As teachers and as a community, we have a legal and moral responsibility to respond to serious incidences involving abuse and neglect of the children with whom we have contact, and to report instances that we believe involve physical abuse, sexual abuse or neglect.

1.2 At Karoo:
The roles and responsibilities of school staff in protecting the safety and wellbeing of children and young people are defined. Staff are trained to identify the indicators of a child or young person who may be in need of protection.

2. **Implementation:**

2.1 All members of the Teaching Service are mandated by law to report signs and disclosures of physical and/or sexual abuse, and neglect.

2.2 New staff will be informed of mandatory reporting responsibilities and procedures.

2.3 Staff will be reminded of mandatory responsibilities annually through online training and via staff meeting agenda.

2.4 If staff have significant concerns for the wellbeing of a child they must be reported immediately to the Principal, or the Assistant Principal.

2.5 School staff should keep comprehensive notes that are dated and include the following information:
   - Description of the concerns (e.g. physical injuries, student behaviour)
   - Source of those concerns (e.g. observation, report from child or another person)
   - Actions taken as a result of the concerns (e.g. consultation with principal, report to DHS Child Protection etc.)

2.6 The Principal will keep a record of all discussions about a student with whom there is a concern.
